Community PEER Ambassador Program

Technology Release and Agreement Form

Date:

PEER Ambassador:

The Communities That Care Coalition is dedicated to providing solutions to barriers presented.....

Through feedback from our focus groups, the idea to provide all PEER Ambassadors with the technology to continue to take advantage of educational opportunities and provide added assistance in your role as a Community PEER Ambassador, has been made available.

This ASUS Google Chromebook should be used to complete the Community PEER Ambassador Self-Paced Training which is pre-loaded to your Files as well as the Workbook and Resource Toolkit. It is suggested that you use or create a Gmail account to accompany your Chromebook to make access easier.

Chromebooks can also accompany you to **OUTREACH** events to assist with gathering information and providing resources to parents.

TECHNOLOGY AGREEMENT

1. I understand that I am responsible for maintaining the Chromebook in working condition while in my possession.
2. I agree to return the Chromebook in the same working condition that I received it in, to the designated person.
3. I agree to contact () if Chromebook is either damaged or stolen.
